

Dear Parents and Carers

**Christmas Fayre 3:15pm Thursday 11<sup>th</sup> December**

Our Christmas fayre is fast approaching and the PFA would like your support. In the past the fayre has been very successful. This year we have a raffle with some great prizes such as alpaca experience, gift hamper, soda stream, craft hamper, vouchers and much more.

Attached is a strip of raffle tickets. If you would like to be in with a chance of winning one of these prizes, please put your child's name and class/ contact number on the back of each ticket. Please return them to school with £1 by Thursday 11th December.

We really value the support of pupils and parents/ carers at our events which helps raise vital funds for the school. Recently the PFA have been able to donate money towards Santa's breakfast, new much needed books for the school and are working towards donating money for year 6 leavers jumpers. Your support helps us to continue to put money back into the school where it is needed.

Thank you for your continued support.
