

Seesaw: The learning Journal

To sign up to Seesaw, you can download the app:

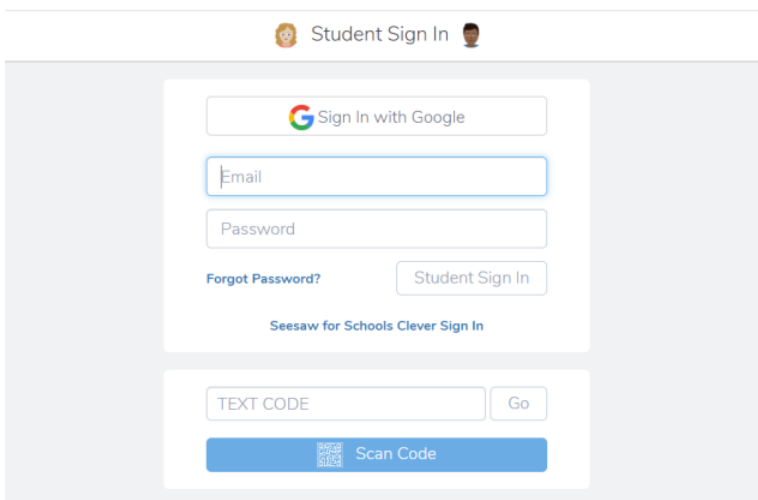

Look for **Seesaw: The Learning Journal** in the app stores.

To use Seesaw through a web browser, search Seesaw the learning journal and you should see a screen like below:

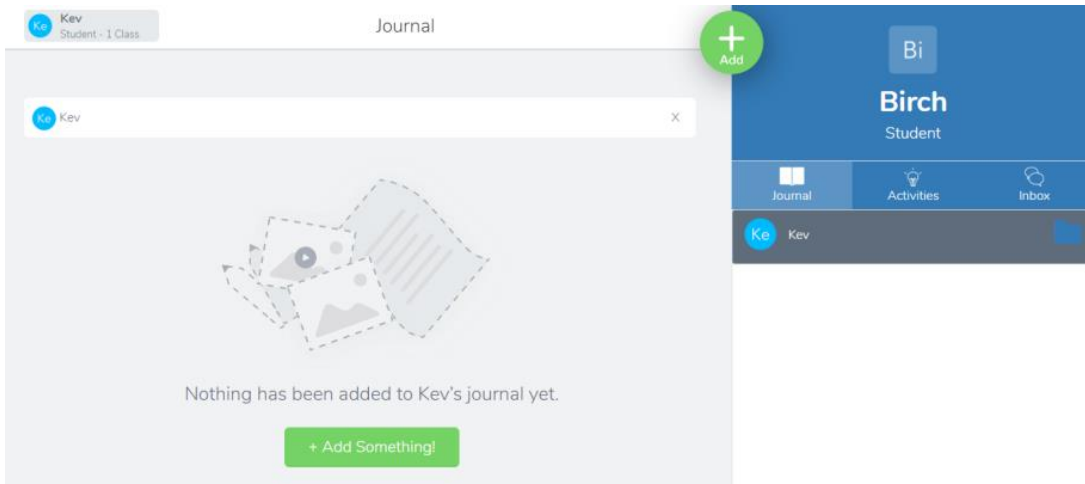

Select I am a student.

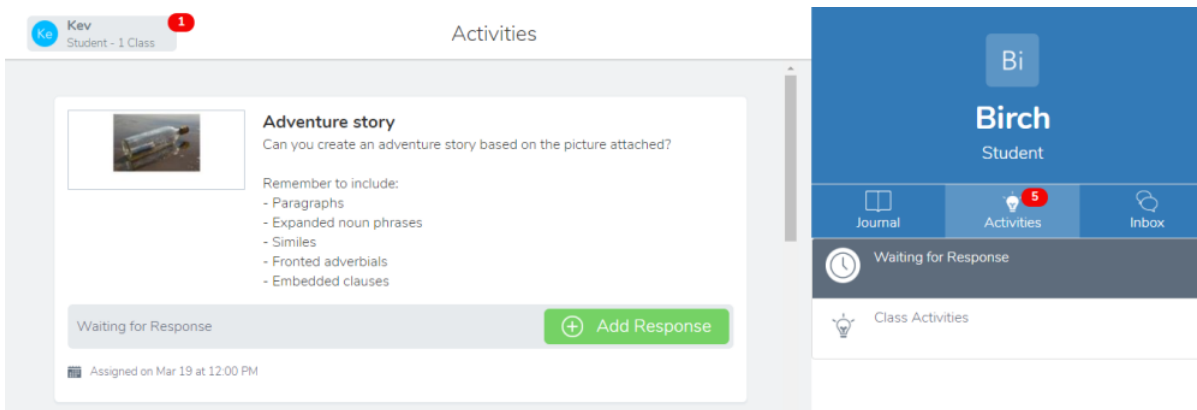

Copy in your child's text code.

Children will then be able to see their own home page.

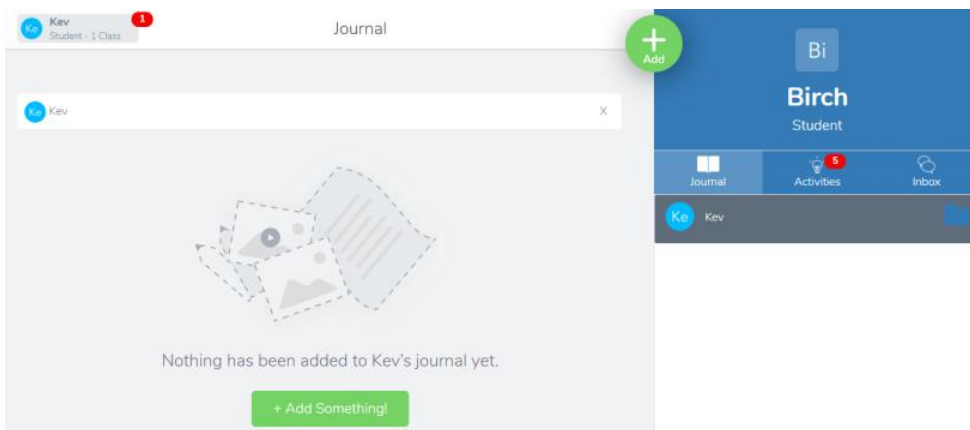

Children's new activities will appear in red.

Children just need to click onto 'Add Response' and then can complete the work.

If children do additional work, this can be uploaded by clicking the 'Add' button.

Children can upload: photos, videos, files, drawings, notes and even links.
