Wednesday 27 May. Important update

Dear Parent/Carer

Thank you for your continued engagement as we update you on this rapidly changing situation we are currently in.

As you know we have been working to achieve the Government's ambition to re-open schools from 1 June. We have made good progress towards this and are pleased with the high levels of support and understanding from parents/carers and staff alike.

I have written to the parents of Nursery, Reception, Year 1 and Year 6 parents/carers to inform them that following stakeholder consultation (including teachers, unions and parents/carers) we have decided to **delay to our proposed return to school based learning**. We are now aiming for a return date **no earlier than 8 June** for these children.

Key Workers & distance learning

I wanted to inform you that there is **no change to the arrangements for the children of key workers or vulnerable children outlined in my letter last week**. If you wish to use the key worker provision please contact the school office via email at office@allfaithschildrensacademy.org.uk at least 24 hours in advance. A reminder that Nurture Group will re-open for children on Tuesday 2 June

Our current distance learning resources remain in place and unchanged until at least 8 June.

There are no changes to arrangements shared last week.

Thank you

Thank you to everyone for your patience and understanding during this very challenging situation. We will continue to communicate further updates and plans next week as these develop.

Regards,
Mr C Murphy
