

Please read the following messages carefully for key information regarding all children returning to school on Monday 8 March.

LAPTOPS

If you have previously borrowed a laptop from school, please ensure that it is returned on **Friday afternoon between 12:00 and 2:20pm**. If you are unable to return it at this time, please contact the school office via MYEd.

BREAKFAST CLUB

Breakfast Club will begin running again from 8 March. The cost of the provision is £1 and bookings must be made **24 hours in advance via +Pay**. Please ensure that you have booked before this time to ensure that we have adequate staff numbers in place for the club to run.

Children must **arrive** for Breakfast Club **between 7:45 and 8:10am** and must wait outside the main door for a member of staff to greet them.

STAGGERED START TIMES

As we welcome the wider school community back to school, we must ensure that we continue to minimise risk to our parents, carers and children as much as possible. As you are already aware, we will be opening both the top and bottom gates to avoid congestion. With this in mind we will also be staggering the start times of our pupils. Please see below for what time you should drop off and collect your child each day:

8:30am - 3:00pm

Nursery (normal session times)

Breakfast Club

Families who have more than one child attending AFCA

Treetops

Nurture Group

9:00am – 3.30pm

Single children / children without siblings at AFCA

LUNCHES

Please remember that lunches must be booked 24 hours in advance of your child's attendance at school via MYEd/+Pay. Lunches can be booked for up to 8 weeks in advance so you can get ready for next week by booking today!

If you have any further questions please message
the school office via MYEd.
