15.11.21 Yr 6 Isle of Wight

We are hoping to arrange a Yr 6 visit to the Isle of Wight next June/July and would like to gauge interest for the visit prior to making the arrangements.

The total cost of the visit will be no more than £350 which will cover the hotel, meals, transport including coach during the week, ferry, access to a theme park, zoo and other attractions. The visit will take place over five days/four nights from Monday to Friday.

I am interested in my child attending the proposed visit to the Isle of Wight

I would not like my child to attend the proposed visit to the Isle of Wight
